ROGERS, EBEN

-young boy opens business of delivering
packages within the city (DA)

6-4-1879:3

Our young friend Eben Rogers has purchased a hand cart taken out a license, and entered upon work of delivering packages in the city. Eben is an industrious little fellow, with a good business turn in his mind, and we wish him success in life. He starts out just as all boys start in life who become useful men. Running the streets with nothing to do, seldom makes useful men of boys. Eben, success will surely follow your efforts.
